A Week On-board a Scenic River Cruise...

Sophie Pearson,
Scenic Reservation
Consultant travelled
on her first Danube
Cruise in August 2016

"I asked my butler to bring me a pot of tea so I could watch the sunrise from my balcony"

Day 1

We were met in Munich by a Scenic representative and taken to the ship in Nuremberg.

I was given a hot towel and a glass of champagne on arrival before my butler showed me to my suite. It was spacious, with a fully-stocked mini bar and balcony area. The welcome dinner was three courses, with unlimited drinks.

Day 2

After breakfast, it was time to explore Nuremberg on a tour of the WWII sites.

The guide was excellent, supported by my personal GPS device. We were docked in the heart of the city meaning we could explore more after lunch. Dinner did not disappoint; four courses were paired with delicious German wines.

Day 3

I asked my butler to bring me a pot of tea so I could sit on my balcony and watch the sunrise.

A ferry took us to view historic Weltenburg Abbey. I sampled beer from one of the oldest breweries in the world. This evening I dined at Portobellos.

Five Italian courses were paired with local wines.

Day 4

Today included a full day in the Czech town of Cesky Krumlov. The tour showcased the UNESCO highlights and quaint squares.

Later, I enjoyed a relaxing massage before ordering room service and watching movies in my suite.

Day 5

The beautiful Benedictine Abbey was the highlight of today, as well as a guided tour through Melk. I sampled the electric bikes and rode along the river bank.

The day was topped off by a private cocktail party overlooking the Wachau Valley.

Day 6

This morning, we docked in the heart of Vienna. A guided walking tour with visits to the famous Schonbrunn Palace offered a great insight into the city.

This evening was spent at Palais Liechtenstein for a private classical concert featuring the music of Strauss and Mozart. I've never encountered anything so special.

Day 7

I woke in one of Europe's most beautiful cities, Budapest, and enjoyed a guided walking tour with piano recital.

My final night on-board was spent with new-found friends, enjoying dinner and drinks.

Day 8

After breakfast our transfers arrived and we began our journey home.
